## Living in Ireland – Sharing Migrant Experiences

This series of workshops will introduce migrants to Irish culture and provide a space for newly arrived and more established migrants to share their experiences of living in Ireland.

The aim of the workshops is to pass on practical information by learning from other migrant experiences. These workshops will take place in Blanchardstown, Balbriggan and Swords in 2010.

The workshops are facilitated by **Dil Wickremasinghe**, Social Entrepreneur and presenter of *Global Village on Newstalk 106-108FM*.

The next workshop takes place on:

To book your place on the next workshop or if you would like further information please contact **Nicola Yau** on **01 873 2844** or [nicolayau@crosscare.ie](mailto:nicolayau@crosscare.ie).
